On the first day boys should be wearing their black shorts or pants, white long sleeved or short sleeved shirt and tie. They are expected to wear black unmarked shoes and white unmarked shoes for P.E. You can get a plain black swimsuit, goggles and swim cap from Swimoutlet.com or speedo.com. They are also offered on the Land's End Uniform List.

On the first day girls will be expected to wear the pink summer dress, white socks and black shoes with blazer on top. As the weather gets cooler girls are permitted to wear red, grey or black tights with their red winter dress. Girls P.E. shoes need to be plain white and unmarked. Her swimming costume should be plain black that you can get from either Swimoutlet.com or speedo.com or from the Land's End Uniform list. They should also have a black swimming cap and black goggles.

I hope this helps and I realize that it is a lot to take in.
